Keyboard finger placement chart

Left hand on A S D F · right hand on J K L ; · thumbs on the space bar. The outlined keys are the home row.

Left pinky	` 1 Q A Z
Left ring	2 W S X
Left middle	3 E D C
Left index	4 5 R T F G V B
Right index	6 7 Y U H J N M
Right middle	8 I K ,
Right ring	9 O L .
Right pinky	0 - = P [ ] \ ; ' /

The three keys people get wrong

- **B** belongs to the left index finger.
- **Y** belongs to the right index finger.
- **Shift**: hold the one on the opposite hand to the letter.
- The ridges on **F** and **J** let your index fingers find home without looking.
